Fifty-ninth session
Agenda item 72

Convention on the Prohibition of the Development, Production and Stockpiling of Bacteriological (Biological) and Toxin Weapons and on Their Destruction

Report of the First Committee

Rapporteur: Mr. Mohamed Ali Saleh **Alnajar** (Yemen)

I. Introduction

1. The item entitled "Convention on the Prohibition of the Development, Production and Stockpiling of Bacteriological (Biological) and Toxin Weapons and on Their Destruction" was included in the provisional agenda of the fifty-ninth session of the General Assembly in accordance with Assembly resolution 58/72 of 8 December 2003.

2. At its 2nd plenary meeting, on 17 September 2004, the General Assembly, on the recommendation of the General Committee, decided to include the item in its agenda and to allocate it to the First Committee.

3. At its 1st meeting, on 30 September 2004, the First Committee decided to hold a general debate on all disarmament and international security items allocated to it, namely items 57 to 72, which was held at the 2nd to 9th meetings, on 4, 5, 7, 8 and 11 to 14 October (see A/C.1/59/PV.2-9). Thematic discussions on the items were held, and draft resolutions were introduced and considered, at the 10th to 16th meetings, from 18 to 22 and on 25 October (see A/C.1/59/PV.10-16). Action on all draft resolutions was taken at the 17th to 23rd meetings, from 26 to 28 October and on 1 and 3 to 5 November (see A/C.1/59/PV.17-23).

4. No documents were submitted for consideration under this item.

II. Consideration of draft resolution A/C.1/59/L.17/Rev.1

5. At the 11th meeting, on 19 October, the representative of Hungary introduced a draft resolution entitled "Convention on the Prohibition of the Development,

04-60626 (E) 231104

Production and Stockpiling of Bacteriological (Biological) and Toxin Weapons and on Their Destruction" (A/C.1/59/L.17/Rev.1).

6. At the 21st meeting, on 3 November, the Secretary of the Committee read out a statement of the Secretary-General concerning the financial implications of draft resolution A/C.1/59/L.17/Rev.1 (see A/C.1/59/PV.21).

7. At the same meeting, the Committee adopted draft resolution A/C.1/59/L.17/Rev.1 without a vote (see para. 8).

III. Recommendation of the First Committee

8. The First Committee recommends to the General Assembly the adoption of the following draft resolution:

Convention on the Prohibition of the Development, Production and Stockpiling of Bacteriological (Biological) and Toxin Weapons and on Their Destruction

The General Assembly,

Recalling its previous resolutions relating to the complete and effective prohibition of bacteriological (biological) and toxin weapons and to their destruction,

Noting with satisfaction that there are one hundred and fifty-two States parties to the Convention on the Prohibition of the Development, Production and Stockpiling of Bacteriological (Biological) and Toxin Weapons and on Their Destruction,[1] including all of the permanent members of the Security Council,

Bearing in mind its call upon all States parties to the Convention to participate in the implementation of the recommendations of the Review Conferences, including the exchange of information and data agreed to in the Final Declaration of the Third Review Conference of the Parties to the Convention on the Prohibition of the Development, Production and Stockpiling of Bacteriological (Biological) and Toxin Weapons and on Their Destruction,[2] and to provide such information and data in conformity with standardized procedure to the Secretary-General on an annual basis and no later than 15 April,

Welcoming the reaffirmation made in the Final Declaration of the Fourth Review Conference[3] that under all circumstances the use of bacteriological (biological) and toxin weapons and their development, production and stockpiling are effectively prohibited under article I of the Convention,

Recalling the decision reached at the Fifth Review Conference to hold three annual meetings of the States parties of one week's duration each year commencing in 2003 until the Sixth Review Conference and to hold a two-week meeting of experts to prepare for each meeting of the States parties,[4]

1. *Notes with satisfaction* the increase in the number of States parties to the Convention on the Prohibition of the Development, Production and Stockpiling of Bacteriological (Biological) and Toxin Weapons and on Their Destruction,[1] reaffirms the call upon all signatory States that have not yet ratified the Convention to do so without delay, and calls upon those States that have not signed the Convention to become parties thereto at an early date, thus contributing to the achievement of universal adherence to the Convention;

2. *Welcomes* the information and data provided to date, and reiterates its call upon all States parties to the Convention to participate in the exchange of information and data agreed to in the Final Declaration of the Third Review Conference of the Parties to the Convention;[2]

3. *Recalls* the decision reached at the Fifth Review Conference[4] to discuss and promote common understanding and effective action: in 2003 on the two topics of the adoption of necessary national measures to implement the prohibitions set forth in the Convention, including the enactment of penal legislation, and national mechanisms to establish and maintain the security and oversight of pathogenic micro-organisms and toxins; in 2004 on the two topics of enhancing international capabilities for responding to, investigating and mitigating the effects of cases of alleged use of biological or toxin weapons or suspicious outbreaks of disease, and strengthening and broadening national and international institutional efforts and existing mechanisms for the surveillance, detection, diagnosis and combating of infectious diseases affecting humans, animals and plants; and in 2005 on the topic of the content, promulgation and adoption of codes of conduct for scientists; and calls upon the States parties to the Convention to participate in its implementation;

4. *Requests* the Secretary-General to continue to render the necessary assistance to the depositary Governments of the Convention and to provide such services as may be required for the implementation of the decisions and recommendations of the Review Conferences, including all necessary assistance to the annual meetings of the States parties and the meetings of experts;

5. *Decides* to include in the provisional agenda of its sixtieth session the item entitled "Convention on the Prohibition of the Development, Production and Stockpiling of Bacteriological (Biological) and Toxin Weapons and on Their Destruction".
